

custom boarding & welcome mats

Make your guests feel at home on the water with these colorful and customized American-made boarding and welcome mats.

A deluxe boarding mat is a must to help protect the integrity of your wood floors and keep the boarding area clean and tidy. But you can't just have any boarding mat, you need a quality piece that matches your boat as well as your personality. All of our mats are made from plush heavy duty vinyl carpeting that's waterproof, resists stains, fading, mold, and mildew, and has a special non-skid rubber backing for safety. Each mat's edging is expertly finished with a matching poly binding to ensure a long life.

Our mats are also customizable to fit your style and taste. Choose from a variety of colors, shapes, fonts, and styles to make it your own. We also provide beautiful custom embroidery to match.

Pamper your pets too

Your pet can dine in style, and help keep your boat clean at the same time, with our Pet Bowl Diners. This product is made from the same high quality material as our welcome mats, but with two bound cutouts to neatly hold the included stainless steel food and water bowls. It can be personalized with your pet's name.
